

Warranty

QUANTUM ELECTRONICS 07 warrants that the new chassis and display sold by it to be free from defects and mechanical imperfections under normal use and service for a period of two years from the date of sale. The within warranty expressly applies to the chassis and display manufactured by QUANTUM ELECTRONICS 07 and specifically excludes any and all defects in material and workmanship with respect to the unit as manufactured and therefore the within warranty shall be limited to the furnishing of or repair of such parts of the chassis and display that appear to QUANTUM ELECTRONICS 07 to have been defective in its material or workmanship and shall include for the period of two years of the date of sale the repair or replacement of any part or parts thereof, provided the unit is returned to QUANTUM ELECTRONICS 07 F.O.B. The within warranty shall specifically exclude any chassis or display which has been repaired, tampered or altered in any way whatsoever, which, in the sole discretion of QUANTUM ELECTRONICS 07, shall deem the chassis or display to have been subject to misuse, neglect or accident nor which has been used in a manner otherwise, from the instructions furnished by the manufacturer of all parts or portions thereof of the unit not specifically the chassis or display. QUANTUM ELECTRONICS 07 further makes no warranty whatsoever on behalf of the manufacturer of the unit with the exception of the chassis and display warranted by the within warranty.

QUANTUM ELECTRONICS 07 shall in no way be deemed or held to be obligated, liable, or accountable upon or under any guarantees or warranties, expressed or implied, statutory, by operation of law, or otherwise, in any mannner or form beyond its expressed warranty set forth herein and shall in no way be liable for damages whatsoever arising out of or in connection with the purpose, use or operation of the chassis and display.

The within warranty shall be deemed null and void in the event the serial number has been altered and further QUANTUM ELECTRONICS 07 makes no warranty or representation as to the accuracy of the calibration used within the unit. Any attempts by anyone to repair, tamper or alter the chassis or display shall void the within warranty. Without restricting the generality herein, the within warranty shall be void by any soldering other than the terminal parts set forth within the manufacturer's instructions. The within warranty shall be invoked by the purchaser of the unit by the purchaser forwarding the unit to QUANTUM ELECTRONICS 07 as specified on the bill of sale F.O.B. and QUANTUM ELECTRONICS 07 shall provided it repairs any defects in material or workmanship attributable to it shall return the unit at its costs to the purchaser. In the event, QUANTUM ELECTRONICS 07 deems it is not liable for the repairs or imperfections provided by the within warranty as excluded by the within warranty, QUANTUM ELECTRONICS 07 shall return the chassis, display and unit to the purchaser at the purchaser's cost.

IN NO EVENT SHALL QUANTUM ELECTRONICS 07 BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES AND ITS LIABILITY UNDER THE WARRANTY SHALL BE LIMITED TO THE REPAIR OR REPLACEMENT OF PARTS STATED ABOVE.
